THANK YOU FROM YOUR BEXHILL GREEN COUNCILLORS

GREEN POLLY - WINS OLD TOWN & WORSHAM

Cllr. Polly Gray was re-elected to Old Town & Worsham ward with an increased majority. Polly says: **“I will do my utmost to work tirelessly for the next four years to deliver a positive change for the better, despite many challenges local government have faced. I look forward to working together with my newly elected co-councillor, Mark Legg (Labour) who I know shares the same aims and concerns for our Ward, including the problems of traffic, pollution and parking, and anti-social behaviour such as litter and graffiti, as well as individual problems faced by residents.”**

GREEN ARREN - WINS ST STEPHENS

Cllr. Arren Rathbone Ariel says: **“I’m so very grateful. Despite destructive Conservative economic, environmental and planning policies - there are many good things we can do together. I will do my best to improve our area economically, with its energy needs and health wise whilst helping our environment and protecting nature. Working with fellow ward Councillor Richard Thomas (Liberal Democrats) and all Rother Alliance members I will do my utmost for residents of St. Stephens, Bexhill & Rother.”**
